KANSAS CITY SYMPHONY

Kansas City Symphony Pops will present Steven Curtis Chapman at 8 p.m. on Friday, April 23, at Church of the Resurrection in Leawood.

Steven Curtis Chapman is one of the most prolific singers of contemporary Christian music, having released more than 20 albums, charted 45 No. 1 singles on Christian radio, won five Grammy Awards and 51 Gospel Music Association Awards—more than any other artist in Christian music history.

Chapman adds passion and confidence to his thoughtful lyrics and pop musicality, building on themes of family, global-mindedness and outreach. Please note the Kansas City Symphony is not performing at this concert. For tickets call 816-471-0400 or visit kcsymphony.org. Group rates are available.
